Choose your Clover payment solution

At the counter, at the table or in line, Clover offers the hardware you need to get the results you want.

Build the system you want: All Clover devices can be integrated to create one complete payment experience. The Register Lite plan also supports adding a customer-facing device such as the Clover Mini.

<p>Clover Virtual Terminal</p> <p>Process payments and refunds, wherever you happen to be. Just log into your Clover Web Dashboard at clover.com/dashboard from a smartphone, tablet, or computer and you're ready for business anytime, anywhere.</p> 	<p>Clover Flex</p> <p>Full-featured POS with the flexibility to take payments anywhere – at the table, at the counter, in line or on the go.</p> 	<p>Clover Mini</p> <p>Simple payment processing, full-featured POS or customer-facing device.</p> 	<p>Clover Station Duo</p> <p>Our fastest, most powerful POS system. From inventory and orders to managing your staff and running reports, it's all at your fingertips.</p> 	<p>Clover Go app</p> <p>Download the no cost Clover Go app to complement your POS and manage your business from anywhere using your Clover credentials: track payments, see reporting, manage inventory, check employee transactions, stay on top of orders, and access all the reporting you need using your mobile device.</p>
